How We Share Personally Identifiable Information Collected through our Websites and Mobile Applications

We do not “sell” your personal information as that term is commonly understood. When it is necessary for a business purpose, we share or disclose your personal information with a service provider, and we enter a contract with the service provider that limits how the information may be used and requires the service provider to protect the confidentiality of the information.

To Opt-out of the Sale of Your Personal Information

Nevada law gives consumers the right to direct a business not sell personally identifiable information the business has or will collect online about a consumer. To Opt-out of the sale of personally identifiable information to third parties you may submit a verifiable request to gw-privacy@gwccnet.com, or call us at 800-497-1854 or 402-494-7211 and include your name, address, along with your policy or account number if you have one. The verifiable request must provide enough information to allow us to reasonably verify your identity. We cannot respond to your request or provide you with personal information if we cannot verify your identity or your authority to make the request and to confirm that the personal information relates to you.

We work to respond to a verifiable consumer opt-out request within 60 days of its receipt. If we require additional time, we will inform you of the extension period (up to an additional 30 days), and the reason for the extension in writing. If you have an account with us, we will deliver our response to that account. If you do not have an account with us, we will deliver our response by mail or electronically, depending on your preference.

Right to Access and Correction

To access the personally identifiable information collected through our websites or mobile applications, send a signed written request to us at the following address: Great West Casualty Company, ATTN: Privacy Officer, 1100 West 29th Street, South Sioux City, NE, 68776, or via email at gw-privacy@gwccnet.com and include your name, address, along with your policy or account number if you have one. For your protection, we may use reasonable means to verify your identity prior to sending you this information. If you believe that any information about you is inaccurate, you may notify us in writing about any correction, amendment or deletion you believe should be made. We will carefully review your request and, where appropriate, make the necessary change.

Do Not Track Disclosure

“Do not track” is a technology that enables users to opt-out of tracking by websites they do not visit. We do not disclose personal information to third parties for their own marketing purposes. Additionally, we do not collect personal information from your online activities over time and across other websites or online services and we do not allow third parties to use these technologies on our sites. Because we do not use these technologies, we currently do not monitor, respond or take any action to web browser “do not track” signals or other similar mechanisms.
