

## PRODEXPO MOSCOW 2020

### Individual beverage & flavour concepts: AUSTRIA JUICE at PRODEXPO Moscow 2020

At the Prodexpo - one of the major international trade fairs for food and beverages in Russia and Eastern Europe - AUSTRIA JUICE presents professional and customer-oriented business-to-business solutions from the fruit to the finished product.

Completely in line with the current trends, diverse and innovative beverage solutions will be presented at the fair:

- Stay in balance

For body-conscious consumers, we show both functional sports drinks, body and mind balancing wellness products as well as high-fructuated energy bombs.

- Composed for & by Me

Innovative and novel creations and concepts especially in the aromas area create space for your own creativity.
