

Mastering a Global Mindset

The global business environment requires a true mindset shift for professionals to be successful. It also requires an amplified skill set to navigate across cultures with agility and to leverage the scale and diversity across teams, organizations, clients and partners. Failing to unlock the competitive advantage of a multicultural workforce is synonymous with missed opportunities and mediocre performance. This intensive and introspective workshop focuses on 5 key steps to mastering a global mindset, including core global business competencies like perspective taking, style flexing and leveraging curiosity to build trust across borders.
