

# Crop GUIDE

## What can you grow?

The LGM™ is built and optimized for the growth of a wide variety of lettuces, herbs, and hearty greens. Below is a sample list of what can grow, along with corresponding weekly yields for each crop type.

### Lettuce

\* Full head 500  
Mini Head 1,000

Butterhead  
Bibb  
Red and Green Leaf  
Romaine  
Summer crisp  
Oakleaf  
Lollo rossa

### Hearty Greens

\* 50-55 lbs

Kale  
Swiss chard  
Mustard greens  
Asian greens  
Endive

### Herbs

\* 35-45 lbs

Basil  
Cilantro  
Dill  
Mint  
Oregano  
Thyme  
Parsley

\*Numbers are based on average weekly yields.

## LGM CROP POSSIBILITIES
