

# First Western Trust Offices

We have assembled a team of accomplished professionals who work closely across multiple disciplines to ensure our clients are offered the best banking options for their individual financial situation. First Western Trust offers the sophistication of a large financial institution and the personalization of a boutique bank to best serve our clients' needs each day.

We have 13 offices in the Western US and more than 250 associates actively committed to tailoring a full suite of financial tools to help our clients reach their objectives.
