

TRAINING AND EDUCATION

PeopleDoc University: Empowering Every Step Along the Way.

Philosophy

At PeopleDoc University, we want to enable and empower our customers to increase user adoptability and ensure a maximum ROI. By providing the right training at the right time in the right format, our blended learning approach is designed to meet the needs of your learners, their learning styles, environments and business needs.

Learning Methods

Whatever your learning style or method, PeopleDoc University (PDU) offers a variety of learning options. From on-site or virtual group training to individual self-paced, and online training, one of our classes is sure to meet you and your teams' training needs.

All PDU classes offer hands-on exercises to reinforce learning.

Just-in-Time Training

PeopleDoc University offers training to coincide with the customer lifecycle. Starting with high-level public classes to become familiar with the system, to customized private admin training for the users who need to know the system in-depth, we offer you courses at every step along the way.

PeopleDoc University Catalog

Multimedia tools and job aids located in the PeopleDoc University Catalog are great supplements to the full live or virtual classes.
