- Allocate 5-10 minutes a day to scroll through, share and comment on content on your Homepage

- Search for and save interesting job postings
- Apply for a job online!

Know the right location for your industry

Another consideration before you immigrate is your location. Canada is a vast and diverse country, and not all industries/professions are needed equally from coast to coast.

Click on the link below for a rough breakdown of where various industries feature more prominently across the country.

Prepare for Canada can help you get noticed!

Follow us on  and have your profile viewed by Canadian recruiters and employers.

Here's the best reason to follow Prepare for Canada on LinkedIn:
Drake International Recruitment - Our recruitment partner, Drake International, has their recruiting team reviewing our member profiles regularly for positions they are looking to fill.

And here are 2 more great reasons...

Get closer to hiring managers in Canada – We've teamed up with Drake International and leading human resource associations across the country to put together an exciting schedule of online networking opportunities with hiring managers from small, mid-sized and large organizations who will share with you perspectives on what hiring managers are looking for in newcomers.

Invitation-only Activities with LinkedIn – We also have a number of invitation-only webinars and seminars for our Prepare for Canada followers on LinkedIn. Regularly, we'll be hosting webinars with LinkedIn employees giving you the chance to learn first-hand how you can be maximizing your LinkedIn presence to have your profile noticed by Canadian recruiters and employers.

You're only two easy steps away from following us on LinkedIn!
