

Holographic Displays Instant Asset Write Off

1ST WORLD
HOLOGRAMS

As of 12th March 2020, the current instant asset write off threshold has been increased from \$30,000 to \$150,000. This is also for businesses with an aggregated annual turnover of up to \$500 million - up from \$50 million but only until 30 June 2020.

This is a great opportunity to bring forward expenditure into the current financial year and now that you all know the value of holograms – this is a great time to buy.
