## TRUCKING INSURANCE

# DEPENDABLE INSURANCE. DELIVERED WHEN YOU NEED IT.

Bryson Insurance has been meeting the needs of fleets and owner/operators for more than 25 years – and our established track record with major insurance companies can make a big difference to your bottom line.

Whether you haul locally, across Canada or into the U.S., we can secure any of the coverage that your business, equipment, cargo and staff may require. We can even arrange the financing options that will protect your cash flow, and same-day quotes are often available.

**Call Bryson at 1-800-661-5196 to see if you, your trucks and your freight are properly protected.**

And let us show you the insurance you can depend on.
