ELD REFERENCE CARD

KEEP IN VEHICLE

Important Information

- ▶ ELD complies with FMCSA 49 CFR § 395.15 regarding automatic on-board recording devices
- ▶ It is not required to print copies of logbook for roadside inspection; use eRODS transfer method
- ▶ Access driver logbook at DrivingLogs.com to edit, export and download HOS records
- ▶ If ELD stops working, revert to paper logbook; notify fleet administrator to repair/replace ELD

DOT Inspection Mode

- 1) Attach ELD tablet to mount, login and tap DOT Inspection
- 2) Hand tablet to officer for review; swipe right/left to view more logs
- 3) Tap Send to DOT and return tablet to mount for eRODS transfer
