November 22, 2016, 15:00 ET from Spectrum Pharmacy Products.

NEW BRUNSWICK, N.J., November 22, 2016 -- Today, Spectrum Pharmacy Products, a division of Spectrum Chemicals and Laboratory Products, is pleased to announce the appointment of Elizabeth Ferguson-Brown as the company's Vice President. Ms. Ferguson-Brown has worked in the manufacturing and distribution industry for nearly 30 years, and has extensive leadership experience in the distribution of pharmacy products. Ms. Ferguson-Brown has held executive leadership positions with some of the leading suppliers of products for Pharmacy Compounding and is passionate about providing the highest quality chemicals and exceptional service to the compounding marketplace. "We are thrilled to have Elizabeth back with us at Spectrum. Her knowledge of the compounding industry is a huge win for our company and our customers." said Randy Burg, President and CEO of Spectrum.

"I'm delighted to be back at Spectrum, where I spent a large part of my career learning and developing the skills that helped to make me successful in this industry," said Elizabeth Ferguson-Brown. "I look forward to helping grow Spectrum into one of the best in the business."

About Spectrum Pharmacy Products

Spectrum Pharmacy Products manufactures and distributes compounding chemicals, equipment and supplies with quality and delivery you can count on every time. Spectrum has been serving compounders for more than 40 years with the industry's largest portfolio of USP/NF grade products and DEA Controlled Substances (Schedules I – V). Our bicoastal cGMP facilities are FDA registered and inspected, with additional certification to the ISO 9001:2008 standard. Spectrum is known for extensive laboratory testing with the highest standards and most modern instrumentation in the industry in both their California and New Jersey laboratories. Our Pharmacy Technical Services Department is staffed by experienced Pharmacists, certified technicians and chemists to support your practice by providing expert product, technical, and formulation guidance - with no membership fees. Opening in January 2017, Spectrum Pharmacy Institute will be offering comprehensive hands-on compounding education, with the most state-of-the-art classroom and laboratory facility in the industry.
