## proofs of prophethood

After believing in his claim to prophethood, we mentally have to remind ourselves **why we choose to follow Muhammad ﷺ**. There are many potential reasons, so now you will embark on a journey of self-exploration to determine yours. Which proofs of Muhammad ﷺ's prophethood appeal to you the most? What are *your* reasons for following him?

You will use a R.A.F.T. template to explore the proofs of prophethood that are most appealing to you. Imagine that you are asked later in your life, "Why do you follow Muhammad?" Formulate a 300-word response to this question.

### **R** | Role

What is your role as a writer? Envision yourself when this exchange takes place: are you a college student? An employee? A parent? An activist? A concerned citizen?

### **A** | Audience

To whom are you speaking? Your classmates? Your coworker? Your neighbor? Your childhood friend? Your social media followers? Readers of the local news station?

### **F** | Format

In which format are you writing? A handwritten letter? A social media post? A speech? A text message? A poem?

### **T** | Topic

Your topic is predetermined: you will write to your target audience in the format of your choice about your reasons for following Muhammad ﷺ. You must keep your writing focused, engaging, and specific to two proofs that you studied in the course of this unit:

- the breadth and scope of his message
- the continued relevance of his message
- his physical miracles
- his excellent character traits
- his unique accomplishments
