in-class assignment

In the space below, brainstorm possible outcomes that would result from each medium of communication. What are the possible challenges? How would each scenario unfold? Which do you think is the most logical and necessary medium to facilitate a relationship between humans and the Creator?

Chosen angels	Chosen humans
Each human	Other

Why is it logical and necessary for Allah to choose human prophets? What makes other propositions either impossible or illogical?

Write your response in your notebook or on the back of this sheet.
