

I'm so glad you joined me! I've been with LegalShield over 19 years, so I've experienced a lot of change with our Company throughout my career. One thing remains constant, LegalShield's drive to deliver the best product. Let me show you why LegalShield is the best product on the market, how well we do against our competitors and give you the same confidence I have in our Legal Product. Let's get started!

LegalShield is a superior product because we have more substance to our product and dedicated Provider Law Firms to provide those services.

Three of our competitors are listed in a side by side comparison against LegalShield. See for yourself why LegalShield makes a difference!
