DEFINITELY DIFFERENT

THE ONLY PROPRIETARY NATIONWIDE NETWORK OF PROVIDER LAW FIRMS

An on-call law firm is part of the LegalShield network of carefully selected, top-quality law firms. Each law firm is licensed in their state or province and dedicated to LegalShield members.

SUPERIOR SERVICE

Our Provider Law Firms are paid in advance on a per capita basis, ensuring they are motivated to focus on providing good service, not on billing. And our rates are never raised on utilization.

QUALITY ASSURANCE

Our proprietary system provides daily, real-time, online monitoring of our Provider Law Firms, which enables continuous improvement of quality service.

UNIQUE SERVICE

Our members only have to make one call to be connected with a lawyer, ensuring they know exactly who to call when a legal need arises.

LEGALSHIELD + IDSHIELD

Combined together, these two plans provide our members a comprehensive solution with an end-to-end resolution, when identity theft issues turn into legal issues. We offer our members a complete solution.

COMPREHENSIVE RESTORATION

With a Limited Power of Attorney, we will do everything necessary to restore a member's identity until all resolvable issues have been addressed.

MONITORING WHAT MATTERS

We monitor our members' identities from every angle, not just their Social Security number, credit cards and bank accounts.

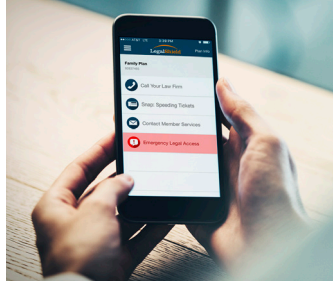

SERVICE GUARANTEE

IDShield backs up its promise that it will do "whatever it takes for as long as it takes" with a \$5 million Service Guarantee.
