IDShield

It’s Not Just Credit Cards

Identity theft is repeatedly the #1 consumer complaint category in America. Identity theft manifests itself in many different ways:

- Credit fraud
- Driver’s License fraud
- Criminal/Character fraud
- Social Security fraud
- Medical fraud

Victims often face issues such as:

- Problems securing a loan
- Harassment from debt collectors
- Possible arrest for crimes committed by the identity thief

Our plans not only provide expert consultation on how to prevent identity theft but also provide comprehensive restoration of your identity should a breach occur.

The Identity Theft Plan benefits include:

Consumer Credit Disclosure

A Consumer Credit Disclosure will help you make sure your financial records are accurate.

Expedited Delivery of Consumer Credit Disclosure Quarterly

You will be provided easy to use forms to request your consumer credit disclosure once every three months. Your credit file will be provided to you free of charge by the credit bureau as required by provincial credit reporting legislation. This service offers members assistance with requesting the consumer credit file.

Identity Restoration Services

- The experts in identity theft restoration will step in and take over the restoration process for you, should you face an identity theft issue. They will customize the solution and work on your behalf to correct identity theft issues with affected agencies and institutions.
- Fraud alert notifications will be sent to all three national credit repositories.
- Proactive searches of local and national databases for any activity in your name that you may not be aware of.
