

# SENIOR COMPUTER VISION ENGINEER

(F/M)

in Vienna / Austria

We are seeking a **Senior Computer Vision Engineer (f/m)** who has a strong sense of ownership about his/her work, is eager to learn and share his/her knowledge within our team and strives for finding the best solution to a customer problem.

Humai Technologies ([www.humai.tech](http://www.humai.tech)) was founded in 1998 as a spin-off from the Vienna University of Technology and the Berndorf Industry Group, with the mission to build first-class Visual Computing, Virtual Reality (VR), and Augmented Reality (AR) based solutions. Humai is a provider of enterprise scale mobile & IoT visual computing/recognition solutions, as well as the creator of the MagicLens, the 21st century AR & VR solution for sales and tradeshows. Find out more: [www.humai.tech](http://www.humai.tech)

## SKILLS REQUIRED:

- Masters/PhD in computer science or related field with focus on computer vision
- Experience with classic computer vision and image processing
- Experience with machine learning (specifically deep learning)
- Excellent Python programming skills
- Good working knowledge of maths/geometry

## NICE TO HAVE:

- Scientific track record, relevant peer-reviewed publications
- Strong ability to ship high quality computer-vision code
- Knowledge of camera hardware or other optics expertise
- C/C++ programming skills
- Experience with mobile platforms
- Familiarity with shell scripting

## ROLE AND RESPONSIBILITIES:

- Improvement of existing computer vision software solutions
- Development and feasibility testing of new algorithms
- Development of computer vision software, ranging from prototype to release Collaboration with Software Backend-developers
- Familiarity with shell scripting

**WHAT WE  
OFFER:**

- The opportunity to work on exciting projects with our xRec solutions on-cloud and on-site premises
- Chance to grow and expand your skills and expertise in our rapidly growing company and match your skills and interests with a broad range of challenges
- Flexible working hours (home office options), the stability of a company with 20 years of experience and support by one of Austria's leading industry groups combined with the enthusiasm and tightknit feeling of a start-up.
- Friday game nights, free snacks and drinks, chance to unwind and build better connections to your colleagues
- Join in on one of our numerous company events such as: soccer matches, paddle boarding, hackathons, ladies (and boys, too) nights, evenings out in the town, culinary workshops and much more

**HOW TO APPLY:**

If you are interested to meet us and discuss any opportunities, please send your application to [jobs@humai.tech](mailto:jobs@humai.tech). Please include at least one concise CV as well as any information that you find convincing about your ability to perform in the described position.
