humai

UX/UI Designer [M/F]

In Vienna / Austria

We're looking for an experienced UI&UX Designer striving to make a significant impact on the user experience and the visual quality of our products. You will plan, wireframe, prototype, and prepare assets for software development teams to create visually engaging, intuitive and easy-to-use products, which we develop and maintain for large companies. You will also work to create visuals that elegantly illustrate complex data.

YOUR TASKS

- Understanding the needs of all stakeholders to create intuitive and convenient designs
- Developing a simple, clean and attractive UI/front-end for web and mobile
- Performing usability testing and user research
- Working in an agile framework
- Supporting Marketing in creating compelling visual content and reinforcing brand identity

YOUR PROFILE

- Solid UI/UX design experience with the Adobe Creative Suite, Sketch, etc...
- Strong expertise in responsive and adaptive design principles and UI/UX best practices
- An ability to quickly grasp and distill complex concepts and interactions into visuals
- Interest in Augmented Reality and real-time graphics
- Excellent collaboration skills and willingness to work in a team

Adding a few Dimensions.

About us

Humai Technologies (www.humai.tech) was founded in 1998 as a spin-off from the Vienna University of Technology and the Berndorf Industry Group, with the mission to build first-class Visual Computing, Virtual Reality (VR), and Augmented Reality (AR) based solutions. Humai is a provider of enterprise scale mobile & IoT visual computing/recognition solutions, as well as the creator of the MagicLens, the 21st century AR & VR solution for sales and tradeshows.

STILL NOT CONVINCED? WHY SHOULD YOU APPLY?

Live in a great town (Vienna), work for a great company (Humai) with a great climate (friendly, flexible working hours) and great premises (fully equipped kitchen, canteen, nearby mall), work in a great team (friendly, stick together, share, wide range of skills and expertise) on great projects (new technologies, progressive, multi-disciplinary, great customers), plenty of possibilities to grow and define yourself for the future!

HOW TO APPLY?

If you are interested to meet us and discuss any opportunities, please send your application to jobs@humai.tech. Please include at least a concise CV (max. 2 pages) as well as any information that you find convincing about your ability to perform in the described position.
