

A fully customizable user experience with dynamic multi-media - all in a compact footprint

The Invenco G6 OPT

The Invenco® G6 Outdoor Payment Terminal is an industrial multimedia device, tailor-made for the outdoors. It provides an amazing array of features at a remarkable price, including: contactless as standard, full audio, high-res screen, thermal printer and optional barcode scanner. The G6 OPT supports a wide range of payment options including: debit, credit, contactless, mobile, loyalty, vouchers and coupons. Carefully sized, the OPT is small enough to fit any standard pump head, kiosk or pedestal, yet large enough for a graphical screen. Use it to display easy-to-follow user prompts, promotional advertising, and encourage upsell.

G6 OPT Key Features:

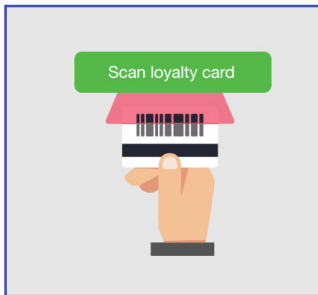

- ▶ PCI PTS PED certified
- ▶ Small footprint, flexible mounting options
- ▶ High speed transactions
- ▶ Credit, debit, EMV, contactless, loyalty and fleet cards
- ▶ Contactless payment as standard
- ▶ Full VGA multimedia display
- ▶ Integrated thermal printer & paper cutter
- ▶ Optional integrated barcode scanner
- ▶ Fully compliant for use on fuel forecourts

G6 OPT Key Benefits:

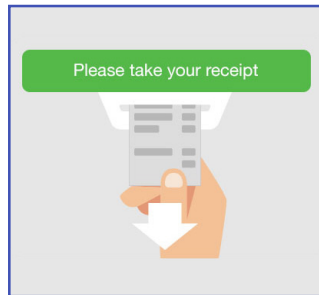

- ▶ Retrofit into existing pump, kiosk or stand; any brand
- ▶ Faster, more flexible payment options for all customers
- ▶ A consistent customer experience across all sites
- ▶ Open platform; explore new revenue opportunities for outstanding ROI
- ▶ Protects you and your customers against fraudulent attacks
- ▶ Wide range of applications; indoor/outdoor, attended/unattended
- ▶ Barcode scanning for loyalty redemption (optional)

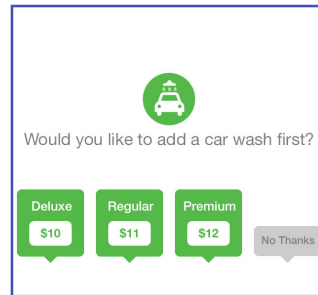

Even more benefits with the G6 OPT

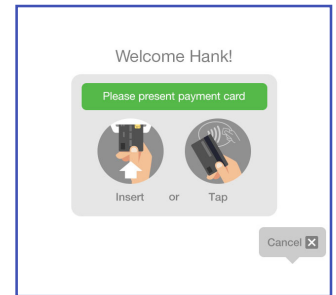

Barcode scanning for loyalty redemption

Custom receipt printer: prints logos & barcodes

Engage and upsell your customers

Customize the user experience
