

## Allergen Lab Test Instructions

Thank you for choosing RL Food Testing Laboratory for your Allergen Lab Test needs. We appreciate your business.

Please complete the attached Allergen Lab Test form required to submit with each food sample(s) you are requesting for an allergen test. Contact us if you do not have a form. A completed form is required to accompany each sample product.

On the form, you need to indicate which allergen you want tested. Each allergen test is a separate service. There are 8 most common food allergens (each is a separate charge per test):

- o Eggs
- o Fish
- o Milk
- o Nuts from trees (including hazelnuts, walnuts, almonds, and brazil nuts)
- o Peanuts
- o Shellfish (including shrimps, mussels, and crab)
- o Soy
- o Wheat

### Instructions:

- Complete the Allergen Test form for each allergen test you need, if more than one
- Submit a 2 oz. sample of finished product for each test you need, if more than one
- Ship FedEx or UPS 2nd Day Air
- Use cold packs as necessary
- Do not use glass containers – plastic only
- The Lab is closed on weekends – please no Saturday or Sunday deliveries
- Ship sample(s) and form(s) to:

RL Food Testing Laboratory  
1824 1<sup>st</sup> Street  
San Fernando, CA 91340

Testing turnaround time is 10-12 business days.

When the testing is complete, you will receive a report from our lab; included with the results is an interpretation of the results from our senior chemist. This summary report is a unique and valuable addition for your benefit and is included as part of our Allergen testing service.

Thank you again for choosing RL Food Testing Laboratory. Call us if you have any questions or need any further services. 877-753-6631

Regards,  
The RLFTL Team

*We provide nutritional information using US FDA compliant nutrition label software, with the accuracy of the label content 100% dependent on what we receive from you, our clients. Laboratory service results are dependent on both the input we receive from you regarding the ingredients in your product and the quality of the product sample you send to us. Product quality is dependent on the product temperature when shipped, the container used to ship your product to us and the integrity of the sample we receive from you. We are not responsible for any errors that may occur based on your input or the poor product quality we receive from you. RL Food Testing Laboratory is not responsible for any consequential or other damages. All claims against RL Food Testing Laboratory are limited to the cost of services rendered.*
