E-signature | Best practices

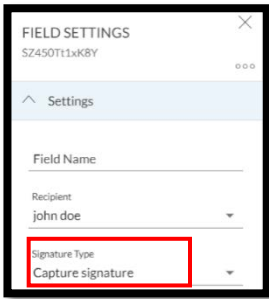

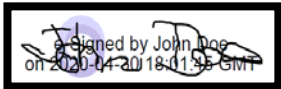

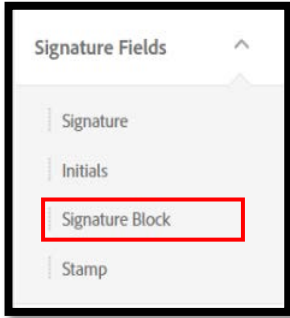

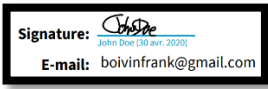

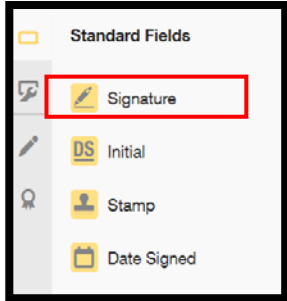

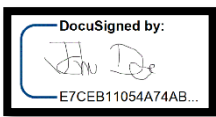

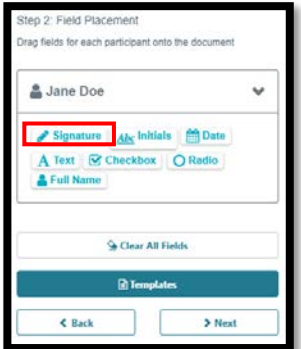

- **You must use EVO Experience driven to submit our transactions.** If e-signature or the transaction is not available, please read the following.
- For savings transactions using *Fundserv*, the existing agreements and criteria remain unchanged.

IA Financial Group has identified the following **e-signature tools to be used** when e-signature is not available with *EVO*:

- OneSpan - [click here to download](#)
- DocuSign - [click here to download](#)
- AdobeSign - [click here to download](#)
- FormStack - [click here to download](#)

⇒ Beneficiary change (insurance and savings) and medical authorization

- Use one of the authorized e-signature tools above and select the **Handwritten Signature** option (see the images below). Otherwise, the request will be returned unprocessed.

One Span	AdobeSign	DocuSign	FormStack
<p>The handwritten signature process must be selected when creating.</p>  <p>Expected result</p> 	<p>Make it clear to the client that the handwritten signature must be respected.</p>  <p>Expected result</p> 	<p>Instruct the client to select the handwritten signature option. To do so, they must create a free account.</p>  <p>Expected result</p> 	<p>Instruct the client to select the draw signature option.</p>  <p>Expected result</p> 

⇒ Other transactions

- The "click to sign" functionality is accepted.

⇒ 3 eligibility criteria – E-signature

Important - Without this information, the request will be returned unprocessed.

- 1- A **password** (transmitted by email) or an **access code** (transmitted by SMS) must be transmitted to the client to allow him/her to sign in securely.
- 2- The e-signature process summary must be transmitted to iA Financial Group with the electronically signed document. In addition, **it must confirm the first eligibility criterion**, i.e. the use of a password or access code (see Appendix).
- 3- Display of a **secure signature confirmation** (See red squares in the examples below).
