STRAFFORD REPEATS AS AN ORACLE PLATINUM PARTNER

Excellence in Oracle EPM, ERP, Cloud and BI Solutions

Londonderry, NH, January 16, 2017: Strafford Technology, providing consulting services addressing the challenges of Finance Departments with fully supported Enterprise Performance Management (EPM), Enterprise Resource Planning (ERP) and Business Intelligence (BI) applications on-premises and in the cloud, today announced that they have again achieved Oracle Platinum Partner status in the Oracle Partner Network (OPN).

By conferring Platinum Partner status, Oracle recognizes Strafford Technology's experience and excellence in delivering Oracle EPM and BI solutions, both on-premises and in the cloud.

"Strafford is proud to be selected again as an Oracle Platinum Partner," said Steve Berry, Strafford's CEO. "The selection reflects our consistently high level of experience and expertise, as well as the sound working relationship we have with Oracle."

Strafford has established its expertise across key Oracle solution areas, including Oracle Hyperion Financial Management, Oracle Hyperion Planning, Oracle Cloud ERP, Oracle Essbase and Oracle Planning and Budgeting Cloud Service. In addition, Strafford has earned various Oracle Specializations, with references from successful projects executed for clients. This includes designation as an Oracle Cloud Standard certified partner.

Platinum-level certification is an advanced level of OPN membership that enables a strong and consolidated alliance with Oracle. With its Platinum Partner status, Strafford Technology receives the highest level of engagement, commitment and resources available to OPN partners.
