STRAFFORD ACHIEVES SPECIALIZATION AS AN ORACLE CLOUD PARTNER

Londonderry, NH, April 21, 2016 – Strafford Technology, providing consulting services addressing the challenges of Finance Departments with fully supported Business Intelligence (BI) and Enterprise Performance Management (EPM) applications, announced that they have received Oracle Partner Network status as a Cloud Standard Partner.

The Oracle Cloud Partner Program enables partners to showcase their Oracle Cloud expertise and success with customers through recognition and progressive benefits. Oracle has recognized Strafford as a key partner, with skills and expertise in Oracle Cloud Services and a demonstrated commitment to supporting customers moving to the cloud.

“The new Specialization status reflects Oracle’s endorsement of our implementation expertise around cloud services,” said Steve Berry, Strafford’s CEO. “We help organizations of all sizes adopt world-class planning and budgeting with a range of solutions that includes QuikSTART for Oracle PBCS, which can be deployed in 10 weeks or less.”

Program qualifications are based on critical Cloud performance metrics, including partner Cloud Specializations, successful go-live Cloud implementations, Cloud success stories, dedicated Cloud focused resources and expertise, as well as other metrics that demonstrate mastery in Oracle Cloud solutions. Partners are also required to provide Customer References in order to achieve the specialization.
