STRAFFORD RECOGNIZED AGAIN AS AN ORACLE PLATINUM PARTNER

Excellence in Oracle EPM and BI Solutions

Londonderry, NH, November 20, 2015: Strafford Technology, providing consulting services addressing the challenges of Finance Departments with fully supported Business Intelligence (BI) and Enterprise Performance Management (EPM) applications on premise and in the cloud, today announced that they have achieved Oracle Platinum Partner status in the Oracle Partner Network (OPN).

By conferring Platinum Partner status, Oracle recognizes Strafford Technology's experience and excellence in delivering Oracle EPM and BI solutions, both on-premise and in the cloud.

"Again we are proud to join an elite level of Oracle PartnerNetwork (OPN) by achieving five specializations that strengthen our strategy for long-term growth and support our joint customers more effectively," states Steve Berry, Strafford's CEO and Managing Partner.

Strafford has established its expertise across key Oracle solution areas, including Oracle Hyperion Financial Management, Oracle Hyperion Planning, Oracle Essbase and Oracle Planning and Budgeting Cloud Service. In addition, Strafford has earned various Oracle Specializations, with references from successful projects executed for clients.

Platinum-level certification is an advanced level of OPN membership that enables a strong and consolidated alliance with Oracle. With its Platinum Partner status, Strafford Technology receives the highest level of engagement, commitment and resources available to OPN partners.
