STRAFFORD FEATURED IN CIO REVIEW MAGAZINE TOP 100 LIST

100 Most Promising SAP Solution Providers

Londonderry, NH, April 17, 2015– Strafford Technology Inc., providing consulting services addressing the challenges of Finance Departments with fully supported Business Intelligence (BI) and Enterprise Performance Management (EPM) applications, has been chosen by CIO Review Magazine as one of the 100 Most Promising SAP Solution Providers for 2014. The magazine’s selection panel evaluated thousands of SAP solution provider partners to find those with the skills and experience to address complex challenges.

“Strafford is pleased to be chosen by CIO Review Magazine as one of the 100 Most Promising SAP Solution Providers for 2014,” said Steve Berry, Strafford’s CEO. “Our focus is on the Office of the CFO, and SAP BPC applications enable us to address challenges across Business Planning and Forecasting, Reporting and Consolidated Financial Management, including a variety of Cloud Hosting solutions.”

Strafford is an SAP Partner with broad experience and expertise applied through consultants with both IT and Finance backgrounds.
