EVERYTHING I NEED TO KNOW I LEARNED FROM NOAH'S ARK

- Don't miss the boat.
- Remember that we are all in the same boat.
- Plan ahead. It wasn't raining when Noah built the Ark.
- Don't listen to critics; just get on with the job that needs to be done.
- Build your future on high ground.
- For safety's sake, travel in pairs.
- Speed isn't always an advantage. The snails were on board with the cheetahs.
- Remember, the Ark was built by amateurs; the Titanic by professionals.
