

↑  
ABOVE  
30°F.

**Silver for Summer**

**Every time you fill up**

**DIESEL KLEEN® + CETANE BOOST®**

If temperatures are above 30°F, add Diesel Kleen + Cetane Boost (silver bottle) to clean injectors, boost power, lubricate pumps and injectors and restore lost power and fuel economy.

Endorsed by Cummins Inc.

↓  
BELOW  
30°F.

**White for Winter**

**DIESEL FUEL SUPPLEMENT® + CETANE BOOST®**

If temperatures are below 30°F, add Diesel Fuel Supplement + Cetane Boost (white bottle) for winter operability to prevent fuel gelling and protect against fuel-filter icing.

Endorsed by Cummins Inc.

**In a winter emergency**

**DIESEL 911®**

Use Diesel 911 to reliquefy gelled fuel and de-ice frozen fuel-filters if your vehicle will not start or gain power in cold weather.

**At least quarterly or as needed**

**CLEAR-DIESEL® FUEL & TANK CLEANER**

Treat with Clear-Diesel Fuel & Tank Cleaner to remove water, disperse contaminants and ensure fuel is stabilized for long-term storage.

**If microbial contamination is present**

**BIO KLEEN® DIESEL FUEL BIOCIDES & CLEAR-DIESEL® FUEL & TANK CLEANER**

Treat with Bio Kleen Diesel Fuel Biocide to kill the microbes and Clear-Diesel Fuel & Tank Cleaner to remove the residual water and contaminants.
