What we can do for you

We challenge the status quo and help professionals like you strive to change the way you can help others think about work. With our 75+ years of experience, we deliver:

Furniture

Boost productivity and get energized with functional, stylish pieces selected with you and your clients in mind. From workstations and seating to collaborative spaces and accessories, we have options for all budgets and any workspace.

Floors

Complement your workspace from the ground up with a wide variety of flooring solutions. From carpet to hard surfaces, we'll help you find the right solution for whatever environment.

Walls

Create extreme levels of customizable, sustainable architectural interiors that promote collaboration, integrate technology and remain flexible as your customers' needs change.

Services

Buying furniture is just the first step. We offer a variety of manufacturer-neutral services to help end users extend the workspace lifecycle and make the most of their investment.

Disposition

Whether you or your client need to clear out old furniture or workstations, with our furniture disposition and buyback program, we'll help create and execute a plan to ensure you or they have a clean slate for their new space.
