## ABOUT THE PROJECT

Transitioning to university life can be daunting, so this welcoming space gives new students a space to focus as they settle in. The campus building, which houses Admissions and is home to a series of programs that help students adjust to their new surroundings, was updated to become tech-savvy and functional. Two technology-focused breakout spaces sit alongside a classroom where students can work, converse and get comfortable.

## SOLUTIONS

- Solid Walls
- Glass Walls
- Combination Walls
- Media Walls
- Modular Power

## FINISHES

- Back Painted Glass
- Chromacoat
- Anodized Aluminum
- Clear Tempered Glass
- Vinyl Applied by Others

## DISTRIBUTION PARTNER

Continental Office Environments

## GENERAL CONTRACTOR

Rhoads Construction Inc.

This welcoming campus space was updated to become tech-savvy and functional.
