Burnham Nationwide is the Industry Leader

Burnham Nationwide has over 25 years of experience helping clients obtain all the necessary permits and approvals for complex construction projects, and we operate in over 3,000 cities across the country. Our clients include Fortune 500 companies as well as some of the leading development and architecture firms. At Burnham, our experienced project managers provide expert guidance and handle communication with all project stakeholders, including regulating entities, design teams, and construction firms.

Burnham is Chicago's Premier Specialist in Permit Management

Burnham Nationwide is the recognized name in facilitating permits and providing code consulting in the City of Chicago. Headquartered in the Windy City since 1992, Burnham has been involved with all of the iconic buildings that make up the Chicago skyline.

- 1** We take ownership of your project whether a large-scale, complex office tower going through Developer Services or a smaller residential building remodel requiring Standard Plan Review.
- 2** Our proactive and systematic approach, developed through decades of experience, expedites the entire permit process.
- 3** We take charge of securing all the necessary approvals required for permit issuance to make sure your project stays on schedule and within your budget.
- 4** Burnham leverages our years of experience working with Chicago Department of Buildings and other city departments to develop effective and efficient solutions to any issues that may arise.
- 5** Our experts in code compliance can undertake a full review of your plans to assure compliance with the Chicago Building Code, federal, state and municipal accessibility requirements, and other relevant codes.
- 6** Burnham's code compliance experts regularly appear before the Chicago Committee on Standards and Tests and are available to represent your project.
- 7** Our wide-ranging services include assistance with licenses and discrete permits, such as grants of privilege, driveway permits, business licenses, tank permits, capacity signs, and magnetic lock approvals.
- 8** We enable all project team members to do their job better and are always available for communication on your project, whether it's over the phone, email, or in person.
