A Weekend Retreat with Roger B.

Steps 10 – 12 are often referred to as “maintenance” Steps. But, what are we maintaining? Sometimes we need reminding that we are not maintaining the status quo or as a place holder in abstinence – but rather maintaining steady growth by becoming more effective with prayer, meditation and inventory.

How do I use these tools to live a more satisfying life? What are the blocks to my progress? How do I maintain growth, and not let my recovery get stagnant? We will explore these questions, and move beyond these obstacles, together.

Roger has been active in 12 Step recovery for 38 years, is a Spiritual Director, and an effective teacher. He takes to heart the necessity of daily maintenance of our spiritual condition and continues “to seek”, as directed in the 11th Step, to grow in his own relationship with God. He has a deep concern for individuals in 12 Step Recovery and has extensive experience carrying the message of recovery. He has done workshops and retreats in the Midwest and Canada.

Attendees will experience:

- An opportunity to **retreat** from the pull of the daily distractions in our lives
- **Connection** with others on this spiritual path, including group discussion
- Exploration of **spiritual practices**
- **Nourishment**, with meals prepared by our award-winning chef
