- Receive student loan or tuition help for yourself, your child or grandchild.
- Get paid every two weeks.
- May be eligible for child care assistance and free health insurance.
- Build your career skills, resume, and network.

"I would tell everyone I know that AmeriCorps is the best thing I could have done. It gave me a fulfilling life and that's what you need when you are in recovery. It also helped me be responsible and supported me every day. This was a huge stepping stone to get into the real world of work."

- Samantha, AmeriCorps Alum

Full-time positions in the Twin Cities Metro begin in September.
