A weekend retreat with Roger B.!

Most of our lives many of us have been looking for a solution to our living problem, not realizing that we were on a quest for Power. Instead of relying on faith, we've relied on finite things and people. Of course, the result has been separation and loneliness.

During this weekend retreat, we will search for a Power that can produce a change in our thinking, together. As George Bernard Shaw said, "Progress is impossible without change, and those who cannot change their minds cannot change anything."

Roger has been active in 12 Step recovery for 39 years, is a Spiritual Director, and an effective teacher. He takes to heart the necessity of daily maintenance of our spiritual condition and continues "to seek", as directed in the 11th Step, to grow in his own relationship with God. He has a deep concern for individuals in 12 Step Recovery and has extensive experience carrying the message of recovery. He has done workshops and retreats in the Midwest and Canada.

Attendees will experience:

- An opportunity to **retreat** from the pull of the daily distractions in our lives
- **Connection** with others on this spiritual path, including group discussion
- Time for **reflection** to create space for awareness and conscious contact
- **Nourishment**, with meals prepared by our award-winning chef
