## Ancient Wisdom: Resources to Find Your Life Purpose

Rev Sandra McKinney

Join us as we find meaning through the power of knowing and learning the many resources that come to us from throughout the centuries. Rev Sandra McKinney will share some of the tools that guide her recovery in mind, body and spirit, including:

- Signs and symbols across time and cultures
- The sacred power in your name and date of birth
- Numerology and the life you were born to live

Rev Sandra McKinney recently retired after serving as minister for Unity Christ Center in Eau Claire, WI for 13 years. She has a passion for social justice and interfaith community and shares practical spiritual principles and practices that foster a grateful heart. With the grace of God and recovery groups just like Women in Recovery, Sandra celebrated 43 years of sobriety on June 6, 2017.

Sandra serves a number of nonprofit organizations, including as president of JONAH (Joining Our Neighbors Advancing Hope), community liaison to EXPO (Ex-Prisoners Organizing), and interfaith chaplain for Luginbill Children's Foundation.

"What lies  
before us  
and what lies  
behind us are  
small matters  
to what lies  
within us. And  
when we bring  
what is within  
out into the  
world miracles  
happen."

- Henry David  
Thoreau

The mission of Women in Recovery is to create a caring community that provides education, spiritual insight, and growth opportunities for women in all 12 Step recovery programs.
