A Weekend Retreat with Roger B.

As our spiritual lives grow, we develop a conscious awareness. Instead of living in the past or future, we are fully engaged in the present. The more we evolve our spiritual practices of prayer, meditation and inventory, the more positive results we get. These results drive us forward to a realization that all is God – and God is good all the time.

During this weekend retreat, we will explore these ideas, and deepen our consciousness, together, as we move toward the beginning of a new year.

Roger has been active in 12 Step recovery for 39 years, is a Spiritual Director, and an effective teacher. He takes to heart the necessity of daily maintenance of our spiritual condition and continues “to seek”, as directed in the 11th Step, to grow in his own relationship with God. He has a deep concern for individuals in 12 Step Recovery and has extensive experience carrying the message of recovery. He has done workshops and retreats in the Midwest and Canada.

Attendees will experience:

- An opportunity to **retreat** from the pull of the daily distractions in our lives
- **Connection** with others on this spiritual path, including group discussion
- Exploration of **spiritual practices**
- Time for **reflection** to create space for awareness and conscious contact
- **Nourishment**, with meals prepared by our award-winning chef
