## ACTIVITY LEVEL

These trips do require a level of mobility, as most of the tours are walking tours for up to 3 hours, which may include walking on cobblestone streets and stairs. A 'Gentle Walkers' group is included on most included walking tours, which accommodates those needing a little extra time and sometimes a shortened version of a tour, keeping in mind as few stairs as possible. If you are bringing a portable wheel chair or collapsible travel scooter, they must be able to collapse and be stored in your cabin. They cannot be used to get around the ship, only to use while off the ship. They may be used on tours that are accessible, but that can be difficult because of the cobblestone streets, stairwells and need to lift them up on curbs. If you do have limited mobility, you are required to travel with someone who can assist you to lift the scooters down the gangways, up and down curbs, and up and down stairs.

## **VACATION STRETCHERS**

We will be offering Vacation Stretchers in Amsterdam and Luxembourg. In Amsterdam, you might enjoy a walking tour of the Red-Light District, the LGBTQ area of Amsterdam, or visit one of the many popular museums. In Luxembourg, the adventure continues where you will be taken from the ship to follow the wine route to Grevenmacher, visit local villages, included wine tasting, have lunch in Echternach, visit the famous Vianden Castle and medieval town of Vianden. You'll return to your hotel in Luxembourg for dinner on your own. For more details please see the Vacations Stretchers tab on our website.
