Following an introduction to the week ahead, a private transfer takes you to the *Safari Explorer*, awaiting dockside at Kawaihae Harbor. Set sail and enjoy the sunset before dropping anchor for the evening.

SUNDAY JANUARY 12, 2020

HONOMALINO BAY

The search is on as you set sail through an area known to be favored by marine mammals. Lava tubes, skiff tours and kayaking are in store for a day of ultimate adventure. Fringed by coconut palms, Honomalino Bay offers opportunities for snorkeling, paddle boarding and more kayaking. The bay reveals a diversity of colorful corals, sponges and tropical fishes. This evening, you'll anchor at an offshore location to search for and night snorkel with Giant Pacific Manta Rays.

MONDAY JANUARY 13, 2020

KEALAKEKUA BAY / KAILUA-KONA

Skiff to Kealahou Bay, where Captain Cook was slain in 1779, for some of the island's best snorkeling. On a guided exploration by kayak and skiff, your expedition team shares their knowledge about the marine life and history of the bay. At Kailua-Kona, stroll through town at your own pace, and uncover the charm of this historic town.

TUESDAY JANUARY 14, 2020

WEDNESDAY JANUARY 15, 2020 LĀNA'I

Gear up for a day of play on the “private island.” Thousand-foot sea cliffs line the shore and ancient volcanic plugs sit both above and below the water’s surface as host to a wide diversity of marine life. Snorkel, paddle board, kayak, and explore by skiff. Choose a long or short hike—whichever suits your fancy—to Sweetheart Rock, a sea stack jutting 80 feet above the crashing surf, and discover the legend of the princess Puu Pehe. Learn about the island’s plantation days with a visit to the quaint Lāna’i Culture and Heritage Center.

THURSDAY JANUARY 16, 2020 OLOWALU / WEST MAUI

In ancient times, Olowalu was considered a place of refuge. Today, it delivers a treat of snorkeling among coral gardens teeming with underwater life and a known sea turtle habitat. The Humpback National Marine Sanctuary—located between Lāna’i, Moloka’i, and Maui—provides front-row seats as you cruise through these productive marine breeding grounds searching for dolphins, whales, and other marine life. Cap off the day and celebrate this evening with the Captain’s Dinner.

FRIDAY JANUARY 17, 2020 MOLOKA'I

A warm Aloha spirit gives you a sense of Hawaii long ago. No stop lights, no high-rises—just a welcome slower pace. “Talk story” with locals and experience their land and traditions as few visitors do. You’ll hear legends and lore, then take in a cultural lesson in taro patches and poi making, or hike to a towering waterfall in Halawa’s cathedral valley—one of the island’s most historic places. At the Moloka’i Museum, discover the history of this ancient homeland as you enjoy an evening pa’ina (feast), complete with a home-style Hawaiian jam session.

SATURDAY JANUARY 18, 2020 MOLOKA'I – DISEMBARKATION

Gather for breakfast before the *Safari Explorer* docks on Moloka’i, where you’ll be transferred to the Moloka’i Airport or to your extended host hotel stay.

Itineraries are guidelines and variations and the order of days will occur to maximize your experience.
