**BOOK BY JULY 31, 2019
AND SAVE OFF EARLY
BIRD PRICE ON
OCEANVIEW STATEROOMS**

Our first stop will be lively, LGBTQ-friendly-friendly Key West, where you can soak up history at Hemingway's home or Truman's Little White House, or just by riding the trolley through colorful Old Town. After a relaxing day at sea, we'll land at George Town on Grand Cayman Island, where you can encounter dolphins, turtles, and stingrays. Next, we will stop in Mahogany Bay, Roatán, where you may see hummingbirds, monkeys, more dolphins, and other wildlife! Our final stop will be Cozumel, the heart of Maya culture. Wander among the iguanas at San Gervasio, ruins of buildings that honored the aged jaguar goddess Ix Chel—or, a little farther afield, visit Tulum or the UNESCO World Heritage site Chichen Itza.

30TH ANNIVERSARY CARIBBEAN CRUISE I

JANUARY 22-29, 2020

Aboard Holland America's *ms Veendam*

FORT LAUDERDALE, FLORIDA

Round-trip from Fort Lauderdale, FL, this cruise is perfectly timed to allow you to escape the cold and enjoy sun-kissed days and star-filled nights. With a stellar, special anniversary lineup of entertainment and the incredible Team Olivia ready to meet your needs, you'll be on your way to a vacation you won't forget!

KEY WEST, FLORIDA

Sample Excursions

- Key West Butterfly & Nature Conservatory with Aquarium Tour
- Dolphin Watch & Snorkel Key West Wildlife Refuge
- Key West Nature Kayak
- Legal Rum & Hand-Rolled Cigars Experience
- World-Famous Hop-On/Hop-Off Conch Train

Wander the streets lined with pastel-hued Bahamian-style houses and you may feel yourself transported back to earlier days of Key West, or *Cayo Hueso*, as it was once known. This southernmost city in the contiguous US offers so much to see in such a compact package (just a little over 4 square miles). Soak up its natural beauty—whether at the Key West Butterfly & Nature Conservatory, the Key West Aquarium, or in the Gulf of Mexico as you snorkel the island's reefs—or immerse yourself in some of its history at the home where Hemingway wrote the majority of his novels, at the Little White House where Truman and other presidents have spent their vacations, in the town's several museums, or just by riding the trolley as it winds through Old Town.

GEORGE TOWN, GRAND CAYMAN ISLANDS

Sample Excursions

- Atlantis Submarine Ride at Grand Cayman
- Cayman Island Highlights & Turtle Centre
- Cayman Islands Shipwrecks by Semi-Sub & National Museum
- Crystal Cave Adventure
- Dolphin Encounter & Cayman Turtle Centre
- Nautilus One Semi-Submersible Undersea Tour

The Cayman Islands have everything you would want from a Caribbean destination—warm breezes, clear seas, and a laid-back attitude—but the archipelago also has something you might not expect: a rich mix of cultures fueling an exciting culinary scene. Between the celebrity chefs who've set up shop on Grand Cayman and the 135 or so resident nationalities that have helped season the island's giant melting pot, this is, hands down, one of the best places to eat in the Caribbean. In and around George Town, the Cayman Islands' capital, you'll find an amazing array of culinary offerings, ranging from spicy conch fritters, jerk chicken, and curried goat to cassava-laden heavy cake, stuffed paratha, and artisanal kombucha (and many more in between!). And that's where the island's other chief pleasures come in: Between savoring its culinary options, you can take in its many sights, whether walking along the fabled Seven Mile Beach, around historic sites, or through lush gardens or by being in or beneath the waves—swimming, snorkeling, or diving.

MAHOGANY BAY, ROATÁN

Sample Excursions

- Deep Sea Fishing Tour
- Hiking & Archaeology, Mayan Eden Eco-Park
- Magical Flying Beach Chair Ride
- Carambola Botanic Gardens and Roatán Butterfly & Bird Garden
- South Shore Zip-Line & Suspension Bridges Eco-Walk
- Turquoise Bay Private Over-Water Bungalow

One of seven in the Bay Islands archipelago in the Caribbean Sea, Roatán sits atop an ancient, exposed coral reef and is positioned near the second-largest barrier reef in the entire world, the Mesoamerican Reef. Its unique—and fragile—ecosystem is a draw for those who are interested in the local flora and fauna, as well as anyone interested in beaches that invite maximum relaxation. Mahogany Bay, a 20-acre (8-hectare) section of Roatán's port, has a lovely white-sand beach, which can be reached by foot or, for a cool (and cooling) vista, by chairlift. In the Mahogany Bay cruise center, you'll find unique restaurants and stores, including some selling local art made of salvaged materials. Another spot to pick up a keepsake is the Stone Castle Cameo Factory, which offers cameos crafted from Honduran conch shells. Adventures on Roatán are, for the most part, low-key, with excursions ranging from garden visits to kayaking, snorkeling, and zip-lining.

Start your day off with a splash! Cozumel Island is one of the world's premiere dive spots; the northern part of the Mesoamerican barrier reef lies just 200 yards off the shore. Snorkel above or dive alongside the reef for a chance to see exotic fish, lobsters, crabs, eels, stingrays, and other sea critters. Olivians who are intrigued by Mexico's Maya culture have a choice of several archaeological sites to visit. Cozumel is home to the San Gervasio ruins, where between approximately 1000 AD and 1500 AD women made offerings to the jaguar goddess of fertility and childbirth, Ix Chel. Visitors who want their history served with an extra dose of breathtaking beauty can take a ferry across the channel to Tulum, where Mayan ruins sit perched on dramatic sea cliffs overlooking the Mexican Caribbean. And those willing to travel farther can visit one of the new Seven Wonders of the World and famous UNESCO World Heritage site, Chichen Itza—a fusion of the Puuc and central highlands architectural styles of Mexico.

Sample Excursions

- All-Inclusive Premium Dolphin Swim
- Atlantis Submarine Expedition to Chankanaab Reef
- Chichen Itza Mayan Ruins Tour
- Cozumel Country Club Golf
- Dune Buggy Tour & Beach Snorkel
- The Mayan Cacao Chocolate Company & the Mayan Bee Sanctuary

COZUMEL, QUINTANA ROO, MEXICO
