## FORT LAUDERDALE, FLORIDA

Welcome to Fort Lauderdale! Its many canals and waterways have given Ft. Lauderdale its nickname, the Venice of America. There is an abundance of things to see and do in the area: visit the Fort Lauderdale beach and cafés, stroll the historic Riverwalk, shop the luxurious stores on Las Olas Boulevard, or venture to the Everglades for an intriguing air boat excursion.

## GRAND TURK, TURKS AND CAICOS ISLANDS

Without hyperbole, the archipelago nation of Turks and Caicos is one of the world's most photogenic spots, the ultimate fantasy-island destination. Kick back and just enjoy the view from under a palm tree or beach umbrella. Or take a diving, snorkeling, or fishing excursion around Grand Turk, a jewel of an isle that measures just 18 square kilometers (7 square miles) and is ringed by translucent warm waters teeming with coral and fish. If history is your passion, explore the fascinating history of Turks and Caicos in its capital, Cockburn Town, which is lined with Bermudan-style buildings from the 18th and 19th centuries.

## AMBER COVE, DOMINICAN REPUBLIC

Enjoy discovering Amber Cove's many charms. Relax on a golden-sand beach or take advantage of one of the many excursions. Possibilities include visiting Puerto Plata—founded in 1503, it's one of the Caribbean's oldest cities—to explore its cultural and food traditions or tour one of two women-led cooperatives: a chocolate plantation and factory (where you can sample the final product!) and a co-op creating jewelry and artisanal paper from recycled materials. Crave more activity? Go ziplining, sailing, or snorkeling! Or spend your time at Ocean World for memorable experiences like interacting with dolphins, sea lions, and sharks!

## SAINT THOMAS, US VIRGIN ISLANDS

This island is full of superlatives. It's home to some of the Caribbean's highest viewpoints, spectacularly positioned among verdant tropical foliage. It offers some of the best snorkeling around. And hands-down it has the region's coolest attraction—an ice museum. St. Thomas is encircled by pristine beaches, and its towns offer excellent shopping and dining. The main town, Charlotte Amalie, was founded in 1666 and renamed in 1691 to honor the Danish queen. Buzzing with activity, it contains excellent examples of Danish-colonial architecture—a number of which are listed on the National Register of Historic Places.

## HALF MOON CAY, BAHAMAS

The Caribbean is full of tropical wonders and natural beauty. But there's nothing like Half Moon Cay, Holland America's pristine private island paradise in the Bahamas. Half Moon Cay has won Porthole Cruise Magazine's Best Private Island award for 17 consecutive years and was also named the best in Travel Weekly's Readers' Choice Awards. As soon as your toes touch that powdery white sand alongside crystal-clear water, you'll understand why. Park yourself in a cabana on the two-mile crescent beach, visit Stingray Cove to learn about these gentle creatures, go kayaking, or ride a horse along the beach.

Holland America Line's first Signature-class ship, *Eurodam*, has recently received many exciting updates. Guests on this graceful ship can enjoy the full Music Walk™ experience, including Lincoln Center Stage, B.B. King's Blues Club, and Billboard Onboard. Explore on-board at BBC Earth Experiences and Microsoft Studio. Enjoy regional cooking demonstrations and food and wine tastings with Port-to-Table programming.
