Welcome to Panama City!

Located on the Pacific side of the American Continent, Panama City—the capital of the Republic of Panama, is a beautiful, vibrant, cosmopolitan city. Considered one of the most important cities of the Americas, it is a thriving center for international banking and trade, and sports a sultry skyline of shimmering glass and steel towers that is a sharp contrast to the Old Town (Casco Viejo). The historic center, named a UNESCO World Heritage site, charms visitors with its colonial architecture and rich cultural history.

With so much to see, taste, experience, and discover in one place, Panama City is a must-see, culturally rich city that should be given due time to explore and visit.

## TOUR HIGHLIGHTS

### **GAMBOA RAINFOREST EXPERIENCE INCLUSIVE OF LUNCH (With One- and Two-Night Packages)**

After having your last breakfast on board the ship, you will disembark the ship for the final time and start your adventure in Panama! Your coach will take you through the rainforest on your way to the gorgeous Gamboa Rainforest Reserve, located in the Soberania National Park. This area has been designed for you to do as much or as little as you like as you explore the many

treasures of the Panamanian rainforest.

Once there, you'll experience nature in a whole different way. You will start with a boat tour that will take you through the Panama Canal into secret waterways to find islands where white-faced Capuchin and Howler monkeys can be seen leaping in the trees above. Occasionally, they become curious about visitors and venture down to take a closer look. The boat ride passes through the Gatun Lake of the Panama Canal, giving you the chance to see the different vessels during their transits through the Canal.

Upon returning from your boat ride on Gatun Lake, you will make your way to the Don Caiman Restaurant, just in the marina, where you will enjoy lunch in this beautiful setting.

Afterwards, you will take the Aerial Tram through the rainforest and ascend approximately 280 feet from the shadowy forest floor, through the dense undergrowth and up to the sundrenched canopy with its thousand shades of green that are only interrupted by the vibrant colors of flowering trees. Once at the top, you will have the opportunity to walk up the Observation Tower where you will have an uninterrupted view of the vast rainforest of the Soberania National Park while at the same time watching the vessels maneuver through the Galliard Cut, the narrowest part of the Panama Canal!

After taking in all that this beautiful area has to offer, you will board your coach for the ride to your hotel where you will have the evening free to explore or, just relax!

### **PANAMA CITY HIGHLIGHTS TOUR (With Two-Night Package Only)**

Our half-day tour begins with a visit to the Miraflores Locks. You will have just passed through these locks on our cruise, and this is a great opportunity to see the operation from the land. The Miraflores Locks Theater and Museum provides the historical background and operational information to better appreciate the scenes visible from our elevated viewing platform.

Next, we will visit Casco Viejo, the Old Quarter. Founded in 1673, it is one of the most beautiful Spanish colonial destinations in the Americas. A UNESCO world heritage site, this historical district remains intact, with a unique mix of colonial architecture and Caribbean style. We will walk through the charming streets, visiting some of the most important sites, and learning about the unique culture and history of Panama. At the end of the tour you can return to the hotel via coach for lunch, or opt to stay in Casco Viejo to enjoy the many restaurants and shops before returning to the hotel at your leisure via taxi.
