If you prefer to come in earlier than January 11 and book the same host hotel or any other, your transfer from the airport to the hotel will be on your own. We suggest you book your hotel room directly with the hotel using their website information below. This is high season in Hawaii, so we highly recommend you do this very soon. We consider the host hotel to be a 3.5 – 4-star hotel. It is a very large hotel, great location to 2 different beaches and the city, clean and comfortable accommodations, beautiful sunsets and the good food. Some hotels may require a two-night minimum depending when you make a reservation so be sure to check first.

POST CRUISE HOST HOTEL – HOTEL MOLOKA'I,

There are few hotels on this remote island, and Hotel Moloka'i is one of them. A genuine hideaway from all things mainstream, is located on the exotic beach of Kamiloloa and adjacent to Hawaii's only barrier reef. You'll find a unique Polynesian village of bungalows replete with modern conveniences. This is considered a 3-star hotel, but the best available on this remote island.
