Welcome to Moorea!

Just 30 minutes by high-speed catamaran from the island of Tahiti, Moorea is a vision of lush, green vegetation and everything you would envision a South Pacific island to be. Inspiring the mythical Bali Hai in James Michener's *Tales of the South Pacific*, Moorea's unforgettable beauty lies in the mountains that jut out of its wide, shallow lagoon, numerous waterfalls, and stunning beaches. A few days in Moorea is a perfect way to extend your vacation!

If you are short on time but want a little more fun in the sun before heading home, consider enjoying the charm of Tahiti for at least one last day.

ABOUT YOUR TOUR

Humpback Whales

Black-tip Reef Sharks

Stingrays

SWIMMING WITH WHALES (two- and three-night packages)

Weighing up to a ton and measuring about the length of a VW bus (10-15 feet), baby humpback whales are breathtaking mammals. Called the canaries of the sea for their beautiful melodic song, the 40-ton, 60-foot adults are even more awe-inspiring as they approach you with amazing grace and expressive eyes.

USA & CANADA: 800-631-6277 x1 | **INTERNATIONAL:** 415-962-5700 x1

Today, you have the opportunity to swim with the marine life that lives in the waters surrounding Moorea. The focus of the day will be finding and snorkeling with the humpback whales who have made the long migration from Antarctic waters to mate and give birth in the warm waters of Moorea. Of course, we can't plan wildlife sightings, but the chances are high that you will come upon these gentle giants on your adventure today.

French Polynesia is one of the few places in the world where it's possible to swim with majestic humpbacks. French Polynesia is classified as an Exclusive Economic Zone (EEZ), a wildlife sanctuary where, among other things, drift fishing is prohibited, earning it top honors from the World Wildlife Fund (WWF).

After this once-in-a-lifetime chance to swim with humpbacks, you'll head back inside Moorea's Lagoon for an opportunity to snorkel with black-tip reef sharks and stingrays, before being taken back to the hotel where the remainder of the day will be yours for relaxing and enjoying as you like.

Resort Restaurants

The Mahana'i Restaurant: Start your day in typical Polynesian surroundings with a tasty buffet breakfast where you'll find all the tastes and aromas of Moorea. The refined ambiance of the restaurant is in line with the chef's sophisticated creations, a delightful combination of the flavors of France and the tastes of Polynesian cuisine—and no meal would be complete without one of the pastry chef's mouth-watering desserts. This restaurant serves breakfast and dinner daily.

Autera'a Terrace & Bar: The exotic setting of the poolside terrace and bar is the ideal place to find yourself among friends. From noon to 9:30 pm, choose from a range of light dishes and Polynesian specialties. At the end of the day, the bar staff will prepare your favorite drink, or choose something special from the cocktail menu to sip under the stars. The bar is open from 10 am to 11 pm.

Matiehani Lounge Bar: Tucked away at the Manava Beach Resort & Spa, this bar is an exciting spot to sip wine and enjoy music. There is an impressive selection of wine and specialty cocktails. The relaxing atmosphere is truly a tropical hangout with good music paired with fabulous wine, cocktails, and delicious tapas. (Open for special events only.)
