## PRESS RELEASE

For Immediate Release

October 28, 2016

### Carpenter joins idX as Dallas General Manager

ST. LOUIS, MO--Scott Carpenter has joined idX Corporation, the preeminent supplier of global solutions for retail environments, as General Manager of idX Dallas.

In his new role, Carpenter will focus on operational improvement to support the ongoing development and future growth of idX's Texas division.

"idX continues to develop unique, value-driven, operational strategies to ensure successful programs for our customers," said idX CEO Terry Schultz. "Scott's experience, strong work ethic, adherence to processes, proven leadership and customer centric philosophy make him a great fit for our organization."

Prior to joining idX, Carpenter spent much of his life in South Carolina where he excelled in business operations, manufacturing, inventory/distribution, project management and engineering for companies such as Leggett & Platt and Boeing.

Carpenter will transition into the GM position while working closely with Rob McDonald, the former idX Dallas GM. McDonald will shift into a new specialized role at idX, applying his machinery/mill talent toward further operational advancements for the organization.

#### About idX Corporation

idX Corporation, the preeminent manufacturer of consumer environments, offers superior craftsmanship, comprehensive technical capabilities, world-class project management, and turn-key retail services -- the complete solution for the retail, hospitality, financial and permanent point-of-purchase markets.
