“Whatever it takes”

OUR AREAS OF EXPERTISE

General Painting

From sales and estimation through to finish and follow-up, Higgins has the expertise, professionalism and resources to manage any project, regardless of scale, condition and difficulty. Our reliable teams are experienced in delivering high quality work within tight deadlines and are available at any time, including weekend/holiday periods.

Maintenance Painting Solutions

Protect your property investments with Higgins' integrated maintenance solutions. Our tailored strategies protect all structures, regardless of size and are designed to provide long-term savings by maximising the life of existing surfaces.

National Multi-Site Painting

Higgins understands the necessity of providing consistency in service, quality, project management and pricing. We can respond quickly with the right skills and resources to ensure conformity across all outlets for any national and multi-site situation. Our expertise includes design concepts, signage and specialised coatings to meet your job's specific needs.

Colour & Specification Consultancy

For clients looking to refresh the colour of their facility, Higgins offers a complete colour consultation, taking into consideration the function and the style of your building. We also provide a detailed paint specification service to ensure your property is better protected from premature deterioration.

Building Services

Higgins' team of licensed building experts are capable of undertaking a variety of building related projects; repairing or replacing windows, doors, gutters, downpipes, roofing, plaster, render, electrics and tiles, as well as repairing minor structural issues.

Spalling Repairs

Higgins can diagnosis and repair concrete spalling and cracks, from purely cosmetic issues, such as flaked or pitted concrete, through to structurally damaged areas that require a complete restoration, including reinforcement replacing and specialised protective coatings.

Specialised Access

Higgins provides versatile, safe and cost effective access solutions tailored to suit any property, including those with high access requirements. We have EWP and scaffold options available, as well as a certified team of abseilers and operators trained in the use of motorised access equipment, to ensure work is completed with minimal delays or public intrusion.

Integrated Management Systems

With a commitment to safety, quality and the environment, Higgins have recently achieved an industry-leading ISO tri-certification – ISO 9001, ISO 14001 & OHSAS 18001.
