

## OFFLINE REGISTRATION & PERMISSION

### **Student Permission & Parental Offline Registration Form (Page 1 of 3)**

#### **Overview**

For parents without online access for registration/permission, complete this form to create your NASA OPSPARC enabled parent PRIVO iD and grant consent for your child to access the features of the Challenge.

OPTIMUS PRIME asks students to use their imagination and creatively to identify NASA Spinoff Technology in our world and test their skills at changing a NASA technology into something that will make our world a better place!

Students must be registered with a PRIVO iD and have parental consent to enter. Winners will be showcased on the OPSPARC website and potentially other NASA related sites. First place winners are invited to NASA Goddard Space Flight Center for an Awards Ceremony and hands-on NASA workshops.

#### **Adobe Spark Platform**

Students will create interactive multimedia posters for NASA to review on Adobe Spark for Education (Spark). Spark allows students to upload photos, videos and text on their OPSPARC page for submission to OPSPARC 2019. Spark operates as a service provider to the NASA OPSPARC and as such has taken measures to manage the personal information of students via the PRIVO iD consent manager. Spark provides a protected and advertising free area to host the OPSPARC. In order to access Spark to create and submit a submission, a user must have registered for OPSPARC via the PRIVO iD Platform, have the correct level of parent consent and use their PRIVO iD to sign in to the dedicated NASA OPSPARC Spark login page. Students can disclose personal information through video, photos and/or text that are created and uploaded to Spark. Adobe Spark does not reuse any information provided through use of its platform for OPSPARC. Data gathered is for the use and benefit of NASA OPSPARC 2019 and used for no other commercial purpose other than operating or improving the products and services NASA OPSPARC has licensed. Please see the Adobe Spark student privacy policy. [HTTPS://WWW.ADOBE.COM/PRIVACY/STUDENT-POLICY.HTML](https://www.adobe.com/privacy/student-policy.html)

#### **Media Release**

I hereby grant my permission, for my child to the National Aeronautics and Space Administration (NASA) and its partners/collaborators acting on its behalf, the right to record my child's person and/or voice using audio, photographic, video, or other such techniques; to include his/her name, likeness, voice and biographical material in connection with these recordings; to use, reproduce, distribute, and exhibit such recordings in any and all media throughout the world without limitation; and to authorize others to do so, for any purpose which NASA and those acting pursuant to its authority, deem appropriate. I hereby waive all rights of any nature in such recording(s) and
