

**Jennifer Maxwell, Maxwell Healthcare Associates
Founder and President**

As president and co-founder of MHA, Jennifer not only works hand in hand with clients to help them achieve new heights of operational, technological, regulatory and financial efficiency, but also guides MHA's long-range goals, strategies, plans and policies.

Before dedicating herself full time to MHA, Jennifer held positions as CEO and executive director of the Minnesota Homecare Association and as an executive account manager at a top home health and hospice consulting firm. There, she designed and coordinated multiple client service engagements focused on staff augmentation, acquisition, due diligence, compliance

reviews as well as billing/collections, and revenue cycle management.

Jennifer has also worked with the aging population from a different lens, running adult community services programs at the Mesa County Department of Human Services.

Jennifer holds a master's degree in counseling and a bachelor's degree in psychology and was an adjunct professor of psychology and sociology at Colorado Christian University.
