three Be Mobile Friendly

Make sure you are visible across all devices and browsers. Your site should be easy to explore and purchase from any mobile device.

four Automated Product Data Feed

A product feed that includes all of your store's products, this data can connect you to the top shopping platforms like Google Shopping, Amazon, Facebook Marketplace and 100's of others. Additionally, it can be used to dynamically deliver ads to your customers based on their search intent.

five Social Media

Tag products to your Instagram posts or stories, and utilize the option for a store on your Facebook page.

six Abandoned Cart

Remind shoppers of the items they added to their cart but did not purchase or allow them to pick back up where they left off.

seven Personalization

Deliver more personalized offers and promotions based on site behavior, order history, and location.
