

This guide is intended for users of Vendor Direct to order products from **HD Supply**. To properly access this vendor portal and place your order, please follow the directions below:

1. Log into Procurement Partners
2. Select **Order -> Vendor Direct**
3. Select location (if applicable)
4. Click the **HD Supply** logo

**IMPORTANT NOTE:** Some web browsers may block your Vendor Direct window from opening with its built in pop-up blocker. You will generally receive a message stating that a pop-up was blocked. To bypass this pop-up blocker, click the prompt and select the option "Always allow pop-ups from procurementpartners.com" or "Trust procurementpartners.com". This method will vary by browser. If you need assistance, contact your local IT department, or check out the video titled **How to Allow Pop-Ups for Vendor Direct** located on the **Training and Documentation Hub**.

5. Our system will automatically log you into the **HD Supply** portal

These directions cover the basics of ordering from a Vendor Direct catalog; your experience may vary.

6. Shop for products using the search function or by browsing through various categories and add them to your cart
7. When you are ready to proceed, click the shopping cart icon and review your order
8. Click **Submit Cart**
