

Getting Started

BOXCAST

CONNECTING YOUR EQUIPMENT

- Plug the power cord into the BoxCaster and into an outlet
- Connect the BoxCaster to the internet using an Ethernet cable
- Connect the BoxCaster to your video source using either an HDMI cord or RCA cables

READING THE INDICATOR LIGHTS

The lights on the front of the BoxCaster display its current status.

Note: If the lights blink in succession, the BoxCaster's software is updating. The update is complete when the cloud icon (☁) is solid for 3 full minutes.

- Solid green when the BoxCaster is connected to the cloud.

- Solid green when the the stream is live.
- Blinks green when the BoxCaster is preparing to stream.

- Solid green when a video source is present.
- Blinks red when no video source present during a stream.

SCHEDULING YOUR FIRST STREAM

- Visit www.boxcast.com
- Click "Menu" in the right upper corner of the website, then select 'Log In'
- Enter the email address and password that were provided in your welcome email, then select 'Log In'
- This is your dashboard. Follow the instructions under 'Welcome to BoxCast' to schedule your first test event.
