Douglassville, PA ([PRWEB](#)) January 09, 2013 -- American Crane & Equipment Corporation has been servicing industry since 1972.

Products and Services include:

- \* Custom Cranes
- \* Material Handling Equipment
- \* Standard Pre-Engineered Industrial Cranes
- \* Full Line of Industrial Hoists
- \* Specialized Equipment
- \* Lift Beams and Grapples
- \* Field Service Support

Applications for Custom Cranes and Material Handling Equipment include:

- \* Aerospace
- \* Nuclear
- \* Explosion Proof
- \* Single Failure

American Crane's website is continually updated to better service its customers. Their on-line catalog includes a comprehensive list of Cranes, Hoists and replacement parts. They are distributors for manufacturers such as Al-Vac, Budgit, Chester, CM, Coffing, Gorbelt, Little Mule, Munck, Shaw-Box and Yale.

The 3D CAD drawings are available to download for American Crane Standard Class D with Planetary Gearbox Open Deck Hoisting. American Crane offers customers the ability to download these drawings directly into their plans; customers can download drawings no matter what their software, whether they use AutoCAD, Pro-E, Inventor, Solidworks, Cadopia, SolidEdge, TurboCAD or other platforms. [Click here.](#)

CM replacement parts for series 622 hand chain hoists have also been added to the website. If a part is needed for a CM (Columbus McKinnon) chain hoist, an exploded view can be displayed making it easier for the part to be located. This feature is ideal when the part number is unknown.
